RZR Tours – Wilderness Ride

Product Code: DM-YWSTAGRZRWR

Our Polaris RZRs with two and four seats provide the ultimate in backcountry exploration. With a steering wheel and foot pedals for gas and stop, a RZR gives more control and is easier to master than an ATV. With side-by-side bucket seats with a full seat belt and roll cage, they provide extra comfort and safety. There are no additional insurance payments for damage.

Prepare to spot some of Whistler's abundant wildlife and take in the scenery as your guide expertly guides you through old growth forests, across mountain lakes, and into the backcountry for breathtaking vistas of the mountains. This is a great tour for the whole family!
