Quebec City Walking Tour

All Year

Wander down Rue du Tresor, an outdoor gallery evocative of the Place du Tertre in the Montmartre quarter of Paris. Spend some time in the Quartier Petit Champlain, with its cobblestone streets lined with artisanal shops, art galleries, restaurants, and historic homes. Immerse yourself in Quebec's Old City, a UNESCO World Heritage site built some 400 years ago by the French, the fortified city of Old Quebec. Visit Montmorency Falls Park. Another incredible place to visit would be Montmorency Falls Park, where General James Wolfe's British troops camped before embarking on the famous Battle of the Plains of Abraham. The striking waterfall is nearly 250 feet high, and the park is a lovely place worth exploring. Relish the French Cuisine. From bistros to boulangeries, French cuisine inculcates Quebec with European flavor. No matter where you are in Quebec, you'll find delicious dining and exceptional ambience.
